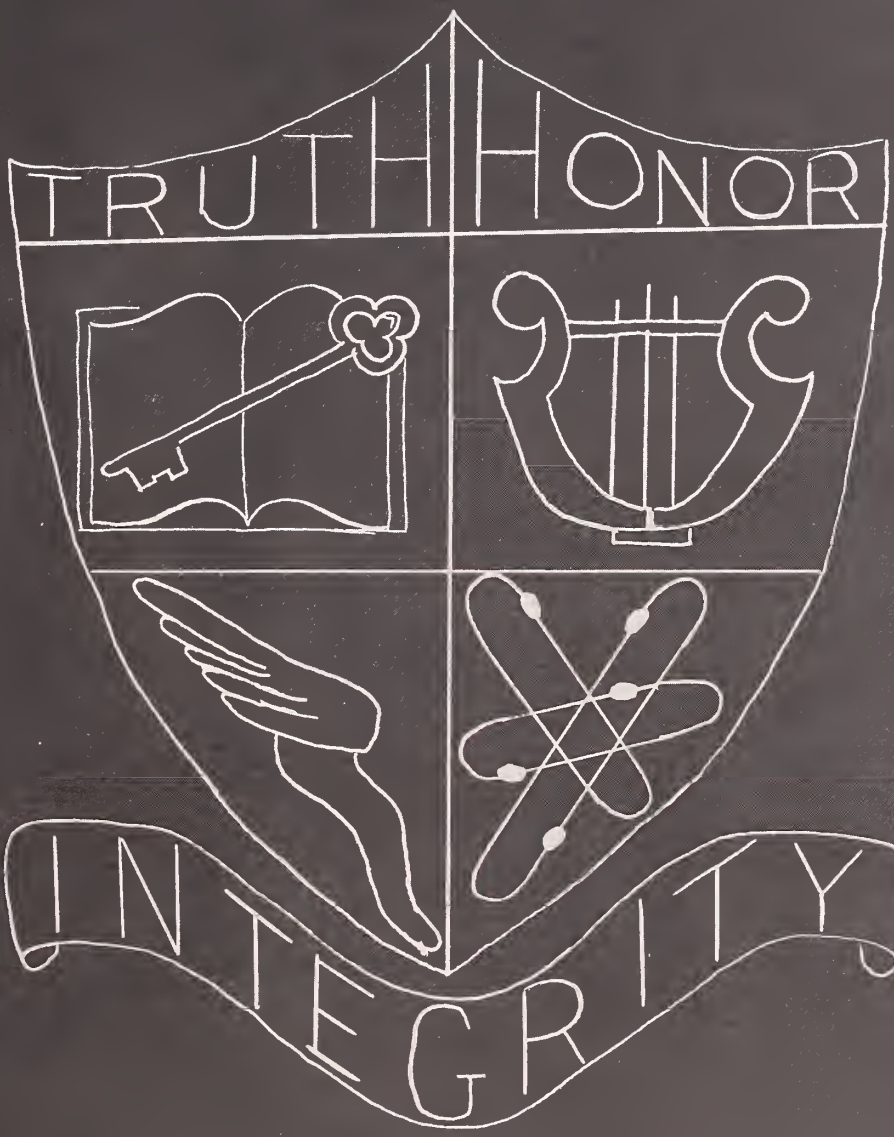
TORCH



Tenney High School

Methuen, Mass.

Class of 1962

Mr. Alfred N. Law
Director of Guidance

Dedication

To Mr. Alfred N. Law, Director of Guidance at Tenney High School, we dedicate this yearbook. The many services that he has performed for the school, the town, the students of the high school will long be remembered and appreciated. No one who has asked for help from Mr. Law has ever been turned away: always he has had time for every one of us. His friendly manner and keen sense of humor have endeared him to the student body, and his counsel has been invaluable. Therefore, it is an honor to dedicate the Torch of 1962 to a man for whom we hold great esteem and affection.

Foreword

We, the class of 1962, have spent four of the most pleasant and memorable years of our lives here at Tenney High School. Now that we are about to graduate, we want to relive, or at least recall, all the events and activities that have transpired during these years. The yearbook staff has done its utmost to include in this edition of the Torch all that you may deem worth remembering. The staff has worked diligently to produce a yearbook of which you will be proud. For their loyalty and cooperation in helping me produce it, I am deeply grateful. We hope that, in the years ahead, this Torch will become increasingly precious to you as it brings back the rich and happy years spent at Tenney High.

In Memoriam

AVIS LERNED

JOYCE MINZNER

". . . So live that when thy summons comes to join
The innumerable caravan which moves
To that mysterious realm where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night,
Scourged to his dungeon, but sustained and soothed
By an unfaltering trust, approach thy grave
Like one who wraps the drapery of his couch
About him and lies down to pleasant dreams."
